Regarding; Fuel Miser

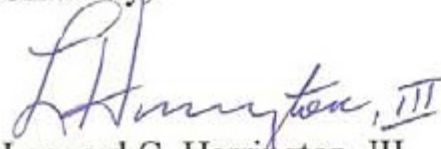

Dear Jim,

WOW!! What an exciting product. Turlock Dodge, Chrysler, Jeep just started selling the Fuel Miser and we sold 15 units on the first 18 vehicles we delivered.

This is an item that helps both the customer and our Dealership. It has also provided us with a spark in our Finance Department. It has helped them sell other products by using the convenient payment calculator on the Fuel Miser Website.

Thanks Again!

Sincerely,

Leonard G. Harrington, III
President
