Welcome to the Nation Safe Drivers Total Loss Protection Program

Losing a vehicle to theft or an accidental occurrence can be a person's worst nightmare. Not only is it a personal violation, it causes a significant financial setback!

Our Total Loss Protection Program will give you peace of mind and financial protection by providing you with a credit towards the purchase of a replacement vehicle. The replacement vehicle must be purchased or leased from the original selling dealership (where applicable)*

These expenses include:

- > Insurance Deductible
- > Down Payment
- > Sales Tax

Giving You Peace Of Mind

Total Loss Protection Program Additional Benefits

The NSD Total Loss Protection Program also includes a theft deterrent system (i.e. window etching or DNA labeling) that will enable your vehicle to be traceable by police.

The National Insurance Crime Bureau, Police Departments and Insurance Companies all agree that this type of deterrent system is highly recommended because it makes your vehicle undesirable to professional thieves. A thief won't waste their time to steal a car that they can't turn around and sell. And a vehicle with a theft deterrent system renders the vehicle worthless!

Wherever you are, you will enjoy the secure feeling of knowing that you are protected by the Nation Safe Drivers Total Loss Protection Program.

Fast response and excellent service are just two reasons why millions of motorists rely on Nation Safe Drivers for on-the-road protection.
