Welcome to the Nation Safe Drivers Windshield Protection

Nation Safe Drivers is one of the largest providers of supplemental products to the automotive and insurance industries. Our 40-year history has given us the knowledge and expertise to provide high quality products and services.

What can be repaired:

Our repair professionals can repair many types of chip and breaks (like those shown here), including cracks up to six inches long, approximately the size of a dollar bill. If the bill covers the damages it is likely that the windshield can be saved, without replacement.
